edison365 announce new strategic partnership with Exerti

Marlow, UK – today edison365, the award-winning business transformation platform, announced their strategic partnership with Exerti, a leading European provider of PPM solutions.

This new partnership further expands edison365's partner network and presence in Belgium and surrounding European countries.

"Exerti have a deep technical PPM knowledge, and we're excited to be partnered with them to add further depth to their PPM offering and extend it to every stage of the project lifecycle," said Rory Ashley, Partner Manger, edison365.

"edison365's projects module will create new client engagements for us, especially for those clients who already work with Microsoft Office 365." Said Karin Baetens, Owner, Exerti.

About edison365:

The edison365 suite leverages Microsoft Office 365 to deliver accelerated business transformation, providing the freedom to crowdsource ideas from employees, and the method to implement them. Combining innovative award-winning Ideation, Business Case and Portfolio Management modules, edison365 turns good ideas into great business solutions that deliver benefits.
